MEMORANDUM FOR: Special Assistant to the Deputy Director
for Support

SUBJECT : Memorandum, OSA-0839-64, Dated 5 March
1964 (attached)

25X1A9a

The attached requisition from OSA was returned to me by [REDACTED] C/LSD/OL, without action for lack of operational justification. I explained to George that we would be most willing to give him a personal oral briefing and outline the operational reasons behind the requirement. However, because of sensitivity, codeword material, etc. we could not cover these items in a routinely classified request to Logistics Services Division. George understands, but has asked that we pass this case on to you for initiation of the approval action. Although [REDACTED] could probably give you a run-down on the requirement just as we have in the past, we can arrange to go into greater detail with you orally if you feel it's necessary.
